

Spring Town Times June 2025

Mayor's Corner by Chris Anderson

Now is your opportunity to get involved with city government.

Do you feel like your voice isn't heard, or that your views aren't considered as the city acts on various matters? Now is the time to do something about it.

If you want to be a candidate for city office, the time to declare is between June 2 and June 6 (ending at 5 pm). In Spring City this year, voters will be electing two council members to serve for terms of four years, one council member to serve for a term of two years. and a new mayor.

Before declaring your candidacy, check the requirements to confirm you qualify. You must be registered to vote in Spring City and have been a resident of the city (or of land annexed into the city) for a period of 12 months. Candidates cannot have been convicted of a disqualifying felony or election offense.

Participate in the process to ensure that Spring City is well prepared to face the future. Check with the City Recorder, RuthAnn McCain, if you have any questions. Election information can also be found on the Spring City website, under Elections.

Plans for Pioneer Day by Cynthia DeGrey

Plans are being finalized for Spring City Pioneer Days scheduled for July 19-27 with the main day of the celebration on Thursday, July 24. We will have many of the traditional events, and we might just throw in a few new surprises for your family to enjoy. Our parade theme is "Little Denmark," so start planning your family float entry. Cash prizes will be awarded for first, second, and third place winners.

The full schedule of events will be posted in next month's city newsletter. You can also follow us on the Spring City Corporation Facebook page for all the up-to-date details. If you have someone you would like to nominate for this year's Citizen of the Year, please submit their name to the city office by June 30th. This year's winner will be announced at the Saga of Spring City program on July 21.

Planning and Zoning Commission News

On May 28, the Planning and Zoning Commission met to discuss a home business license on Main Street and a property line adjustment. A discussion was held, followed by a vote, to make a correction in the Annexation Policy

Plan regarding irrigation water shares required with the annexation of a building lot. We also talked about a zoning administrator's report as needed.
