

Spring Town Times June 2026

Mayor's Corner by Paul Penrod

Spring City had a successful Heritage Day at the end of May, and as mayor, I express my gratitude to all who worked so hard to make the day a pleasant one for the many guests who came to town. Special thanks go to all those who opened their homes for tours. It takes a lot of preparation and sacrifice to do that, and we are grateful to all of you.

Now summer is upon us and we have a special event to look forward to in June. The inaugural Spring City Father's Day Weekend Car Show will be held on June 20 from 10 a.m. to 3 p.m. at the Spring City Park, 45 South 100 East. In addition to seeing cars of all types, families can enjoy a variety of other activities. Awards will be given for various categories of cars. There will be raffle prizes in addition to a quilt raffle. Food trucks will be on hand. Vendors of arts and crafts will be showing and selling their wares. For the children, there will be bounce houses, face painting, and Hot Wheels races. To register for the car show, contact recorder@springcityutah.gov or call 435-462-2244.

Two public meetings will be held in June. One will be held on June 17 at 7 pm in the City Hall. This meeting will be jointly sponsored by the city government and Horseshoe Irrigation Company, and it will help educate the public about what plans have been made to deal with the drought we are experiencing. There will be an opportunity to ask questions. The other meeting will be about the city budget. No date has yet been established, but it will be toward the end of June. Please watch for an announcement.

The city government wants to urge all citizens to be "fire wise" on your properties. Now is a good time to get rid of piles of old limbs or weeds or other things on your land that can burn easily. With the drought and heat, July and August will bring high fire danger. Likewise, we urge those who like to go out walking or biking early in the morning or after dark to carry a lamp or flashlight and/or to wear reflective clothing so that you can easily be seen by drivers and others who might otherwise not be aware of you. Let's all try to protect ourselves and each other.

Planning and Zoning Commission News

The Planning & Zoning Commission met May 27, 2026, following a public hearing regarding the new city ordinance 2026-06. The commission discussed this ordinance and recommended approval of 2026-06. It will now be sent to the City Council.

One license and permit was approved for an old barn from out of state to be relocated and rebuilt on the north end of Spring City. The Strate-Up Subdivision received the final go-ahead to begin on the north end of town.

We discussed how electronic meetings could be held if all of the commission members were not present, and our

recommendation will be sent to the City Council. A new form for signage approval was submitted, but there are still questions regarding signs, so the rules for putting up signs were discussed.

The Council Liaison report was given by Michael Broadbent. Our Zoning Administrator thinks before we get a new General Plan made for the city, we need to make sure it reflects the specific needs of our unique city.

Spring City Community Doings by Jane Hawkes

Senior Dinner. The June senior dinner will be held Wednesday, June 17, at 5:30 pm in the Old School Community Center ballroom. The menu will be sloppy joes, pasta salad, fresh fruit salad, and ice cream sundaes for dessert. The cost is \$7/plate. Please RSVP to Jane at 707-673-7548 by NOON Monday, June 15, so that she can let the cook know how much to prepare. And sadly, this will be Abby's last meal for us! We will truly miss her creativity, her goodness, and her sunny smile! The entertainment will be Ben Sherwood at the piano. There will be no senior dinner in July.

Birch Creek Service Ranch Youth. The youth of Birch Creek Service Ranch are back. Many of us have been helped in various ways in the past by these wonderful young people. Call 707-673-7548 to get your name on a list for their help during mornings in June and July doing service such as yard work and clean-up, etc. These photos from last year show you what enthusiastic young people they are.

First Aid Learning Opportunities. On the last Thursday of each month throughout the summer, there will be First Aid classes at the old city hall in Spring City, 150 East on Center street, at 7 pm. Area First Responder persons will teach teens and older to learn helpful life-saving skills. Since we do not have Scouts anymore, many young people do not know First Aid. Come as families, youth groups, or individuals and join us for the betterment of our community. Call 707-673-7548 to sign up.

CERT Classes. If you would like to attend future CERT (Community Emergency Response Team) classes, please contact Corey Krebs at 801-358-4807.

Community Skills Classes

Date	Time	Topic	Teacher	Place
June 4	7 pm	City Council		New City Hall
June 11	7 pm	Private Property Hints for Preventing Wildfire	Community Wildfire Council	Old City Hall

July 30	7 pm	First Responder Skills: Cribbing, etc.	Krebs and Hess	Old City Hall

DUP News and Activities by Sherrie Barrow Jones

The Canal Creek Camp of the Daughters of Utah Pioneers would like to thank all those in the community who contributed to our bake sale on Heritage Day. It is greatly appreciated. This sale gives us the means to function as a camp during the year and to keep up maintenance and improvements in our museums.

We have three museums in Spring City: the Old City Hall, the Old Jail and the Museum room in the 1899 Old School. We are grateful for the docents who so willingly contribute their time so that the museums on Main Street can be open several days during the week. The Old School Museum is open when the doors of City Hall are open. As an organization, the DUP promotes historical preservation and community heritage.

The North Sanpete Company June Jubilee will be held

in Wales, hosted by the Coal Bed Camp. Camp members are invited to attend Monday, June 8, at 11:00 a.m. at the Sanpitch Ward Building, located at 92 S. 200 W. Please inform Carla Nelson if you plan to be there. The June Jubilee is held to honor the arrival of Brigham Young's wagon into the Salt Lake Valley in 1847, which is the founding of the Utah Territory. The Jubilee is held in June to celebrate Brigham Young's birthday and to remember all of our pioneers.

The Old School museum displays an 1897 photo of the 50th anniversary Jubilee, where over 250 surviving pioneers posed for the photograph. Most of the pioneers in the photo have been identified. At the time, it was said that a photo of so many people could not be done; however, this photographer said he could do it!

Funk's Lake Legacy Project

In last month's edition of the *Spring Town Times*, an article about Funk's Lake, now called Palisade Park, was included. The article described efforts to construct a memorial at the state park to honor Daniel Buckley Funk, an early pioneer and the architect and builder of the lake.

If you would like to participate in funding a permanent legacy plaque and gazebo at Palisade Park to honor Mr. Funk, there are three ways you can do this:

(1) Venmo a contribution to @DBFunk –Memorial. Include a note saying "Legacy Project Fund for Daniel Buckley Funk."

(2) Zelle: send to sfunk6@gmail.com

(3) Check: Mail to Steve Funk at 14723 S. Draper View Cove, Draper, UT 84020. Include a memo saying "Legacy Project Fund for Daniel Buckley Funk."

This is also a reminder that a Community Legacy Event will be held August 8, 2026, at 11 a.m. at the Manti City Park, 101 North 300 West, Manti, Utah. Community members, family members, and friends are invited to attend. All donors will be recognized at the tribute event for Daniel Buckley Funk.
